## PROFILE

**TECH ENTHUSIAST AND MANAGER** with a desire to learn new technologies and programming languages. Experienced in management and team building as well as P&L management. Great communicator and team oriented mindset. Reading management and leadership books have made me realize the importance of achieving company goals has to achieving my own professional goals. Excited at the prospect of working with a team I can learn from.

## WORK EXPERIENCE

### GM ALAMO DRAFTHOUSE – HOUSTON 2015/16

Managed 560 seat movie theater restaurant combo building a structured team of Managers, Key Holders, Team Leads, and Trainers to bring the venue to profitability and stabilization. Trained multiple managers for other locations. Left the job happy with the work that had been done but decided it was time to start my journey into a technical field.

### GM MELLOW MUSHROOM – CHARLOTTE 2013/15

Opened new Uptown venue where I started as a training manager quickly learning Kitchen, Bar, Service management duties and taking over GM responsibilities. Trained new GM for another store while acting as AGM/Bar/Service manager. Revamped inventory systems for all three Charlotte locations using built in tools in Inventory Xpress.

### AAA DISPATCH MANAGER – LEXINGTON 2009/13

Worked effectively with a large call center team, small and effective dispatch team, as well as contractors, to ensure fast services for members.

## EDUCATION

### CODING DOJO – WEB DEVELOPMENT PROGRAM

An immersive full stack development program. Graduated with over 1000 hours of coding experience, and a working proficiency in MEAN stack, Python, Ruby and Rails as well as a wide range of other frameworks and libraries.

### UNIVERSITY OF KENTUCKY- BACHELOR OF SCIENCE 2013
